ACAP Boston Program Participant

2019 ACAP – Boston

ACAP (Accounting Career Awareness Program) is a free one-week, non-residency program for underrepresented high school students who are interested in learning more about a career in **accounting and business**. The program offers a diverse set of learning experiences that includes **panel discussions, interactive exercises, field trips and guest lectures** from area business and government professionals. The program is designed to be **fun, challenging and engaging**. Students will explore, network and increase their understanding about college and the business world while making new friends and developing interpersonal skills in a real-life college setting.

Some benefits include:

- An opportunity to apply for a renewable scholarship that can offer the program graduate up to **\$10,000** during the course of their academic career;
- Potential internships to program graduates who receive scholarships;
- Mentorships;
- High School Student Membership at the MSCP.A, an association of more than **11,000** accounting and business professionals; and
- Networking with peers and professionals alike.
